● Available · ○ Start or end of season. A short window: book your containers before the season; the current month is highlighted..

From the orchard to the carton

Field : Harvested when ripe, Brix checked · **Shipping** : Full container, loaded at the station

Frequently asked questions

What is the minimum quantity?

One pallet on the consolidation platform; one full container in direct sale.

Can you send samples?

Yes, before a first order. The shipping conditions are specified in the quote.

What delivery terms?

EXW ex packing station, FOB from a Tunisian port, CFR, CIF or DAP: you state your preference at step 2 of the quote request.

What lead times?

The quote gives the possible loading date; it depends on the port, the variety and the size requested.

How is traceability ensured?

Every carton carries a lot number that refers to the plot and the harvest date.
